

BUSINESS CONSULTANT - ACCOUNTING & FINANCIAL REPORTING (m/f)

TCI Consult is a Vienna based boutique consulting company focusing on holistic Corporate Management, Bank Management, Controlling & Reporting and Business Performance Management. We provide consulting services on the subjects of Data Warehousing and Business Intelligence. Our high level of expertise and trust is based on more than 20 years of professional experience in Information Management and a complete independence from technology vendors, which forms the basis for the objective management of technology evaluations.

We support our clients from the first idea, providing feasibility consulting, the conception of roadmaps through to a goal oriented project implementation and care for all aspects of successful communication. Our reference list represents large enterprises from all industries, though we concentrate on Financial Services, Telecom Industry, Energy Supply Companies and the Public Sector.

We are looking for a **Business Consultant (m/f)** with competencies in the fields of Accounting & Finance and experience in complex data projects in the banking sector.

MAIN TASKS AND RESPONSIBILITIES:

- Working in a team of experts to support and develop regulatory financial reporting (FinRep)
- Drafting requirements and documentation, mainly for accounting IFRS 9
- Eliciting and defining business requirements aligned with DWH modelling

YOUR PROFILE:

- University degree in Business / Finance / IT
- Experienced "IFRS Accountant" or similar professional experience
- 7-10 years of experience in complex IT projects
- Proficiency and experience in regulatory environments (FinRep, Basel II/III, IFRS etc.)
- Fluency in German and English, both oral and written
- Strategic mindset as well as hands-on mentality
- Track record of developing and nurturing professional relationships
- Pronounced customer focus and orientation
- Strong organizational skills; ability to bring together and align functional areas and subject matter experts to meet stakeholder needs

If we have managed to get your attention, we would certainly like to hear from you. Send us your full application including a picture to:
