

INTERN (m/f)

TCI Consult is a Vienna based boutique consulting company focusing on holistic Corporate Management, Bank Management, Controlling & Reporting and Business Performance Management. We provide consulting services on the subjects of Data Warehousing and Business Intelligence. Our high level of expertise and trust is based on more than 20 years of professional experience in Information Management and a complete independence from technology vendors, which forms the basis for the objective management of technology evaluations.

We support our clients from the first idea, providing feasibility consulting, the conception of roadmaps through to a goal-oriented project implementation and care for all aspects of successful communication. Our reference list represents large enterprises from all industries, though we concentrate on Financial Services, Telecom Industry, Energy Supply Companies and the Public Sector.

We are looking for an **INTERN (m/f)** in Vienna to expand our consulting teams in the finance sector. This internship position offers an opportunity to learn about innovative applications of Data Warehousing and Business Intelligence.
