

THE CORPORATE
INTELLIGENCE

WE WANT YOU!

Junior Consultant (m/f)

Project Management Office

TCI Consult is a Vienna based boutique consulting company focusing on holistic Corporate Management, Bank Management, Controlling & Reporting and Business Performance Management. We provide consulting services on the subjects of Data Warehousing and Business Intelligence.

Our high level of expertise and trust is based on more than 20 years of professional experience in Information Management and a complete independence from technology vendors, which forms the basis for the objective management of technology evaluations.

We support our clients from the first idea, providing feasibility consulting, the conception of roadmaps through to a goal-oriented project implementation and care for all aspects of successful communication.

Our reference list represents large enterprises from all industries, though we concentrate on Financial Services, Telecom Industry, Energy Supply Companies and the Public Sector.

If we have managed to get your attention, we would certainly like to hear from you. Send us your full application including a picture to:
